**Guests:** Doug Stewart, Susan Peters, Select Board Member: Jon Morris

**Call to Order at 6:04 PM by Matt St Cyr**

Christine shared her screen and the board proceeded to review the definitions and updates to the shoreland zoning ordinance. There was no public comment on the revisions that were made. Doug Stewart asked the board about the Solar Ordinance we were working on. Matt responded that the board has been very busy of late and it would not be ready for this annual town meeting. Doug also mentioned that in Article 4 information was missing and should be corrected. Christine informed Doug that any type of correction to the Ordinance need to have public hearings and be voted on.

Jesse motioned to adjourn the meeting; John seconded – all in favor – meeting adjourned at 6:43 pm.

Respectively submitted,

*Christine Watson*
