1. The meeting was called to order at 6:30. The minutes of November 24, 2020 were unanimously approved as written.
2. Sections on Housing and Growth and Economics were reviewed. Jon was asked about the importance of “Responsible Party” and “Time Frame” in Goals and Strategies. He did not feel these were important as the Town (residents AND Select Board) are all responsible.

There was discussion about inconsistency between various sources of data and how to deal with it. There is repetition in housing section that Marcia will try to resolve. Coren will try to get some additional information. Susan will prepare some template tables for the next meeting.
