Members present: Zach Cote, Vianna DiGristina, John Green, Tom Hall, Todd Mellin and Susan Briggs Peters
Excused Absence: Richard Jacobs

Guests: Selectman Jon Morris (part time)

1. A quorum was established and the meeting was called to order at 6:30 PM.
2. During the public comment period Jill Wyman inquired of the work of the committee and Chair Tom Hall responded that we were currently working on an architectural standards ordinance.
3. Draft minutes from our meeting on January 19 were reviewed and approved as written.
4. In support of the ongoing architectural review effort, Tom presented the committee the Freeport Architectural Design Ordinance that he had refined for Pownal. The committee reviewed and made comments using google docs to amend that ordinance to better fit the nuances of Pownal. It was agreed that the committee would further refine that ordinance during the coming week and pass on that effort to the Planning Board.
5. Selectman Morris thanked the committee for the work on the architectural review ordinance and requested that the committee next review the impact fee ordinance. It's expected that selectwoman Curry will present her concerns of that ordinance at our next meeting.
6. Our next meeting is scheduled for Tuesday February 16, 2021 at 6:30 PM.
7. Adjourned at 7:51
