

Pownal Comprehensive Plan Committee Meeting
Monday, March 29, 2021
6:30pm via ZOOM

Present: Susan Peters, Christine Watson, Joan Mueller, Coren Wheeler, Marcia Bowen, Kathy Hogue, Jon Morris. Absent: Adam Haynes

1. The minutes of March 23, 2021 were unanimously approved as written.
2. The current land use table was reviewed but Joan is waiting for information from Donna (Joan was directed to her by the current CEO). There was discussion about whether to include the land use numbers and acreages presented in the prior comprehensive plan. Joan suggested that we spend at least an hour in a future meeting on future land use. Marcia confirmed the acreage of Bradbury Mt. state park, but it is unclear why it is 200 acres lower than “Park Lands” in the previous comprehensive plan.
3. Highlighted areas in the Plan were reviewed and finalized. There was discussion about current and future hazardous waste disposal options. Ideas about affordable housing goals and strategies, something that those surveyed did not think important, were discussed.
4. Housing, Land Use, and a revised Table of Contents will be discussed at the next meeting. All agreed to a two-hour Sunday meeting on April 11.
