

FINAL

Pownal Comprehensive Plan Committee Meeting
Tuesday, April 27, 2021
6:30pm via ZOOM

Present: Susan Peters, Christine Watson, Joan Mueller, Marcia Bowen, Kathy Hogue, Jon Morris, Excused: Coren Wheeler. Absent: Adam Haynes

1. The meeting was called to order at 6:34 pm. The minutes of April 13, 2021 were unanimously approved as written.
2. Kathy talked to the Select Board last night. We have about \$3,869.50 left in our budget. The Select Board authorized us to spend the remaining money for North Star as well as printing; if we need additional costs for copies, the Town will pay for it. We can ask Scott Seaver or Molly White to find out how many copies we might anticipate needing for both draft and final copies. Perhaps one for each committee chair and for Town officials. The cost of these eight copies was \$103, color would be more than double that, \$257.
3. The Draft Plan was reviewed and revisions agreed upon through the Executive Summary. The Committee will meet on May 2 for an edit workshop. June is targeted for public hearings; it was thought that combining it with the Town meeting would be burdensome.
4. Kathy will talk to Ben Smith of Northstar Planning about when and how he might interface with the Committee. We would like to have the edits finalized for the Plan before he reviews it.
5. Joan Mueller has decided to resign from the Committee, reluctantly agreed to by other members. She will make sure she gets her written comments on the draft plan to the Committee. She was thanked for her dedication.
6. Next Meetings: May 2 edit workshop and May 11 regular meeting.

Respectively submitted,

Marcia Bowen
