All – I have posted the previously attached emails to the town’s website. They can be found under Government / Boards & Committee / Future Facilities Committee. I would appreciate it if someone could eyeball the set-up and offer suggestions for improvement. See you all tomorrow evening.

*(Let’s try this again!)*

Hello all,

My apologies for not getting this out sooner. I have been having trouble getting logged on to the town website where I was hoping to post these documents there. I’ll continue to try to get them onto the

site in an organized manner but in the meantime, I'm attaching the copies of historical emails and notes from meetings along with Yarmouth's presentation and supporting documents for all to have. With the exception of the Yarmouth documents where I inserted "Yarmouth" at the beginning of the files, I have used the convention of naming the files beginning with the date of the document in the YYMMDD format which allows for easy sorting by chronological order. I have also converted some of the Yarmouth documents to PDF since this is the format for posting to Pownal's website.

I have added Mike Pascarella to the email list as he expressed interest in helping (see 220615 - Email from Town Administrator to Mike Pascarella) – Welcome, Mike! I've also added Kathy Hogue to the email list.

Our next planned meeting is at 6:30 on Monday August 20<sup>th</sup> at Mallet Hall.

Please advise if I have missed anything. As soon I get my website credentials straightened out and these items posted to it, I will let everyone know.

Respectfully,  
Bo Chesney

Good afternoon ~ have we received Yarmouth's presentation yet? Also a reminder to please send the information that I believe was sent by Paul that The Road Commissioner, Chief and myself didn't receive.

Thanks very much.
