

ROAD COMMISSIONERS REPORT

August 10, 2020

- **Equipment:** Truck-3 has a leaking lift cylinder. Parts are in for T-2 transmission coolant lines, replaced main hydraulic line and inner body lines on T-2, Old T-5 has been repaired.
- **Road Grading:** Gravel is being added to the roads that had washouts.
- **Pownal speed sign:** has been relocated to Outer Lawrence Road.
- **Merrill/Hodsdon Rd Chip Seal** should start the week of August 17.
- **Poland Range Road culvert replacements.** We have turned onto Libby Rd and will continue ditching/shouldering down and back on Libby before working on Poland Range. We replaced an 18' failed metal culvert with a new plastic 24" at 377 Libby.
- **Address a concern from 311 Lawrence Rd regarding the driveway culvert:** The east side of lower Lawrence from Elmwood to Leighton intersection was ditched and all three driveway culverts were replaced.
- **Meet with Select Board member O' Brien:** Discuss gravel roads and drainage.
- **Mallett Hall Parking Lot:** Meet with Mr. Blackstone and Crooker Construction to discuss paving the parking lot. Waiting on estimates from both.
- **Review the Posted Speed Limits: Contact MDOT to get an estimate on when speed studies will be conducted.**
- **Requesting estimates on repairing the Sweetser Road Bridge.** The bridge inspection requests that the pointing between the stones be addressed to preserve the bridge foundation. Overall condition of the bridge is good.
- **Line of sight at Elmwood/Lawrence Roads:** Meet with Maine Natural Gas regarding the pipeline. Reach out to the property owners to discuss improving the line of sight.
- **Request estimates from Blackstone and Crooker for Sand Shed salt pad replacement.**
- **Purchase much hay from Randy Huntley.**
- **Selectman O'Brien and Phil Wentworth to help with employee interviews.**
- **Remove large hanging branch on Lawrence Rd.**
- **Remove apple tree that was blocking one lane on Merrill Rd.**
- **Patrol roads during Tropical Storm, assist Fire Department with cones barricades.**
- **Estimates for Sand Shed pad Blackstone/Crooker \$25,135.00**
- **Estimate for Mallett Hall parking lot Blackstone/Crooker \$56,026.00**
-
