429 Hallowell Rd.
Pownal, Me. 04069**

11/18/2021

Select Board,

Our current count for 'Calls for Service' stands at 139. Last year at this time we had had 169 calls.

The ramp at Center Station has been repaved. DC Hogue will be working on getting the back-up lines repainted.

Eng. 2 is back at Allegiance. The compartment lights are being installed. Also, the U-bolts are being retorqued and the On-Spot Chains re-installed. We have been having some power issues with E-2. Diagnostics have revealed an issue with the fuel injectors. New injectors are being installed. When E2 comes back E1 will go out for annual service.

Several trainings have been set up to educate the EMT's in the new protocols that are going into effect this spring.

We have been asked to assist the PES with filling the ice rink. The date is Sunday, Dec.12th with a rain date of the 19th.

Respectfully Submitted,
Chief Jesse Peters
