Road Commissioner Report

The public works crew has been busy working on road side maintenance in the last few weeks this includes drainage work on Sweetser Road. Mowing and brush trimming around signs and guard rails along with roadside mowing.

- Roadside mowing
- Weed whacking and brush trimming places we cannot get with the mower
- Grading dirt roads
- Ditching and culvert replacement
- Hay and seeding ditches
- Fixing washouts
- Flushing out plugged culverts
- Maintenance on the Town Garage and Salt Shed

The Public works crew will finish up work on Sweetser Road. Then move to Dows Lane to replace culverts and improve drainage and sight lines.
