*The meeting was called to order at 7:35.*

1. The minutes of April 9, 2019 were unanimously approved.
2. Finance: Susan had nothing new to report.
3. Review final survey draft for approval: Joan suggested a reordering of the major sections, starting with what she felt were most important (housing, land use), rural character, historic and ending with education and government. It was agreed. Revisions were made through Public Works. Russ has agreed to meet with Dick Clarke to go over the Infrastructure Section of the survey and will share that information with us via email. Susan will write up a more informative sentence describing the Fire and Rescue Department.
4. There was discussion about the survey release date and it was decided that we should wait until fall. A release date of September 16 was agreed upon, with the survey closed to further input on October 8. The committee will make a brief statement about the survey at Town Meeting on June 24.
5. Marcia passed out sample questions generated by Survey Method.
6. The meeting was adjourned at 8:05. Next meeting is May 14, back to regular schedule.
