

Pownal Comprehensive Plan Committee Meeting

November 24, 2020

6:30pm @ ZOOM

Present: Coren Wheeler, Russ Schmidt, Susan Peters, Kathy Hogue (All via Zoom). Excused: Joan Mueller. Absent: Christine Watson, Adam Haynes, Heidi Curry

1. The minutes of November 10, 2020 were unanimously approved as written.
2. The review of the Population and Economics/Economy sections were completed. There are several areas that need additional information. It was decided that the goals and strategies should be presented in “bullet” form rather than table form in order to conserve space. There was discussion on whether to include responsible parties and time frame. Some felt that the responsible party is in all cases the Select Board; others felt it would be helpful to expand the responsible parties beyond the Select Board. Heidi and John will be consulted as to what the Select Board would find most useful. The decision was reiterated to include Goals and Strategies in both the individual sections and in the Executive Summary.
3. Marcia has submitted the Fiscal Capacity section to John Green of the budget committee for review.
4. There are still a couple of copies of the entire comprehensive plan document in the google docs folder. The changes need to be consolidated. We are working on the PCP.doc.
5. Kathy will ask Molly to set up additional zoom meetings for us.
6. Next meeting: Review Sections:
 - a. Finish Housing and Growth
 - b. Natural Resources
