Road Commissioners Report

July 22, 2024

The Public works Department has been working on many different projects in the last few weeks. From ditching roadsides, culvert replacements to roadside mowing and tree trimming around signs and intersections. The Public Works plans to continue with roadside mowing and tree trimming to improve sight lines as well as prune trees and limbs leaning over the roadways. Some of the projects we have completed in the last weeks are.

- Roadside mowing
- Culvert replacement on several roads
- Ditching on Libby and Verrill and Tuttle roads
- Pavement replacement on several gravel road aprons
- Adding gravel and grading gravel roads
- Dust control on gravel roads

In the coming week the Public Works will be continuing with gravel road maintenance, culvert replacement on Libby road and fixing washouts from recent storms, as well as tree pruning throughout town.
