Road Commissioners Report

September 23, 2024

Over the weeks the public works department has been busy working on several projects, including drainage work and culvert replacements on sections of Libby Road and Sweetser Road, in preparation of repaving a section of Libby Road. The crew also prepped a section of Chadsey Road and Leighton Road for pavement. Some of the other tasks the crew have been working on include.

- Grading and adding gravel to Gravel roads.
- Trimming intersections and low branches over roadways
- Dust control on gravel roads
- Worked with the fire department to undercoat Town vehicles
- Stock piling and making material for upcoming projects.

In the coming weeks the Public Works Department will be hauling winter sand to fill the sand shed. Shouldering and fixing wash outs on roadsides throughout the town and finishing up some of our drainage projects we have been working on.
