

Pownal Solid Waste and Recycling Committee

February 15th, 2024
Public Proceeding Minutes

Members Present: Heidi Richards and Lesley Taisey
Members Absent: Will Johnson

1. A quorum was established. The meeting was called to order at 10:05am.
2. Watched the PAYT Webinar hosted by WasteZero and Prairie Robotics that Casella's Talya Bent recommended we watch. It was about keeping the pay as you throw bags with the new automated system to decrease waste and adding AI camera technology in the trucks to limit noncompliance.
3. Drafted wording for next flyer regarding the new trash system.
4. Talked about the budget; no money left to buy more small bags. Notify residence of this in next flyer.
5. Still no date from Casella on when the new trucks will be available.
6. Planning to all attend the next selectboard meeting on Feb. 26th to discuss keeping PAYT with the new system or not.
7. All motioned to adjourn the meeting at 11:05am.
