1. A quorum was established. The meeting was called to order at 6:30 PM. Minutes from last meeting were approved.
2. The date for Pownal Pride Day was sent out in an email from the town. That brought up the issue that residences should be reminded to update their requests for emails on the website.
3. In reviewing the flyer for this years Pownal Pride Day, these notes were made: Please ask for volunteer and chairman help in the SW&R committee. Make it easier for people to find the google docs road side clean up link on the flyer and on the website. Correct the Do's- No cartons. Add to the Don'ts – no wax coated boxes or cartons.
4. We skipped discussing the budget due to the absences of Mr. Wyatt till the next meeting. Also waiting on the tipping fee and tonnage for 2021.
5. We also will discuss how the meeting went with Eco Maine about the future of trash pick-up and Casella at the next meeting, as Mr. Wyatt was present at that meeting on March 18th.
6. Mr. Johnson provided us with copies of the Comprehensive Plan to review. Everyone thought it looked great except could use adding more education in schools about recycling. We discussed if the community would use large item and hazardous waste pick up or not and the expense involved. And about the \$40 annual fee for use of the Freeport Transfer Station. Mr. Johnson said he can ask them if that fee can be reduced or not.
7. Mr. Johnson made a motion for adjournment. The motion was seconded. The motion passed with all in favor. The meeting was adjourned at 7:41 PM.
