4 pm Zoom Remote Meeting

- I. Call to Order 4:10 pm Zoom Remote Meeting
Members Present: Heidi Curry and Andrew O'Brien

- II. New Business:
Michelle Harrison from Grey Ghost Construction joined the meeting to ask the Select Board to accept a certified bank check payable to the Town of Pownal to be placed in an escrow account to cover the cost of the Meadow Brook Estates infrastructure as required by the town of Pownal's major subdivision ordinance. Mrs. Harrison explained a delay from the bank due to a backlog in business in issuing an Irrevocable Letter of Credit as originally agreed by the Planning Board.

Selectwoman Curry stated that the ordinance did allow for the town to accept a certified check. Mrs. Curry also stated she had a conversation with the town attorney to make sure a change after the signing of the final plan by the Planning Board was allowed. The town attorney stated she did not have a problem with the change and that a certified check was fine.

Selectwoman Curry made a motion to accept a certified check from Grey Ghost Construction. Selectman O'Brien seconded the motion.
