Town Administrator Report
March 11, 2024

The office worked diligently over the last two weeks facilitating the Presidential Primary. With the help of Public Works, we got the voting room set up on the Wednesday before the election. Thank you, Public Works, for always helping us get the voting room ready. We appreciate it. We had 363 voters participate in the election, thank you Pownal voters for your participation. Elections do not run without the help of many hands and volunteers. We have a dedicated team of election clerks that work hard for each election, and we thank you very much. Our Deputy Clerk, Pascale Delsol, did a great job organizing the election schedule, facilitating the absentee ballots, and thoroughly answering voter's questions on election day. This being Maine's first semi-open primary we had several new procedural changes, and the team did a great job. We can't thank you enough.

Over the next few weeks, we will work on the post-election activities along with getting started for the June 11th election. We expect absentee ballot applications to be available on or around March 12th.

Final budget presentations will be March 11th. I have also started outlining the annual town meeting warrant and annual report.

Respectfully,
Becky Taylor-Chase
Town Administrator
